

Demons of Oblivion/Elis O'Connor Reading Order

Note: you can read Elis separate from the Demons of Oblivion series, but if you want to follow in order, here are all of the novels and shorts. Most of it is chronological order but not all of it (for example, technically Fated takes place before Bloodlines and Season of the Bitch takes place before Blood Ties).

Novel, Novella (under 50K), Short Story (under 10K)
